

Research in Germany

would like to invite the participants of the
21st World Congress of Soil Science to the

Research in Germany – Lunch Session

to be held on Tuesday, August 14th, from 12:30 to 14:00 at Windsor Oceânico Convention Center
(Oceania Rooms VI to X).

Representatives of the German Research Foundation (DFG), the German Academic Exchange Service (DAAD) and the Alexander von Humboldt-Foundation will provide valuable information on funding schemes and collaboration opportunities. Moreover, two scientists working in the field of Soil Science in Germany will give exclusive insights into their experiences in the German research landscape. Afterwards, attendees will get the chance to ask questions and seek individual in-depth advice. The event will be held in English, is free of charge and includes food and beverages.
